Re: STUMPY GILLILAND,

Interview with: JAMES FINNAN, 108 Easton Ave.

Mr. Finnan's name was given to Mr. Thompson and operative by Mr. Smith of J.P. Wall's store on George Street.

Interviewed Mr. Finnan, who remembers James "Stumpy" Gilliland and states he knew him well, but never went to his place near the Brook and therefore knew nothing of the activities around the resort. He said he heard that Stumpy's place was known as the "Bucket of Blood" but did not know any of the women who Stumpy had around his place and never heard their names mentioned.

Operative asked him if he knew Ike Dey and he stated that he did but has not seen him in a great many years.

Mr. Finnan could not give any information of value.

Respectfully submitted:
